

Workshops on Catering for Diverse Learning Needs for Teaching Assistants Working in Ordinary Schools (2016/17)

As at 16 January 2017

The workshops aim at equipping in-service teaching assistants with knowledge and skills to assist teachers in catering for the special educational needs (SEN) of students in ordinary schools. Participants will learn the principles and policy of integrated education, and recognize the diverse needs of students. On completion of the workshops, participants should have general understanding of how to assist teachers in supporting students with SEN. Course details are as follows:
