

Workshops on Catering for Diverse Learning Needs for Teacher Assistants / Teaching Assistants (TAs) Working in Special Schools (2017/18)

As at 3 October 2017

The workshops aim at equipping the in-service special school teacher assistants / teaching assistants with knowledge and skills to assist in catering for the special educational needs (SEN) of students in special schools. The workshops will introduce the principles and policy of special education, the characteristics of different types of SEN and some basic intervention strategies. On completion of the workshops, participants should have general understanding of how to assist teachers in supporting students with SEN. Course details are as follows:
